

SEVEN WEEK BIBLE READING PLAN

How to use the Bible Reading Plan:

COMMIT

Commit to reading daily. Whether it's 10 minutes or an hour, consistency is key to building a lifelong habit.

FIND A PLACE

Find a quiet or easy place where you won't be constantly interrupted or easily distracted. A place where you feel safe, can focus, and is a part of your daily life is ideal.

PICK A VERSION

The Bible is written in hundreds of different versions and translations. If you're new to reading the Bible, some of the best versions to start with are NIV (New International Version) or NLT (New Living Translation).

PRAY, PRAY, PRAY

Read with the expectation that God is going to speak to you. Ask God to open your ears and heart to learn something new from His word.

TAKE YOUR TIME

Take a deep breath, read slowly, and take time to comprehend what you're reading. It's better to read one verse and understand it well, than read a whole chapter and not understand what you read.
